

A Premium Handmade Dominican Republic Cigar

01 STORY

Don Domina is more than a cigar.

It's a lifestyle, an experience, and a cultural heritage shared between men and women. Inspired by taodies an elevated aura where elegance and power intertwine. In our logo, a distinguished couple, reminiscent of nobility, faces one another on a sumptuous two-seater couch—an ode to the timeless dance of influence and allure. Behind them, walls adorned with vibrant bohemic motifs in gold, red, and yellow serve as a nod to both the brand's heritage and the dynamic spirit of the Dominican Republic.
